

## Make Recycling at Work Easy...

The free **BusinessRecycling.com.au** website and hotline make recycling at work easy.

Specifically designed for Australian businesses you'll find national and local re-use and recycling options for a huge range of materials.

The site contains information and resources to help implement effective recycling initiatives in the workplace as well as the contact and service details for recyclers and support services.

**Visit**  
**BusinessRecycling.com.au**  
**or call**  
**1300 763 768\***

\* 9am – 5pm Monday – Friday EST.

Planet Arks BusinessRecycling.com.au is a NSW Environment Protection Authority, Waste Less Recycle More initiative funded from the waste levy.
